1. All applicants who apply for membership after the Club's membership cap has been reached will be placed on a waiting list in the order in which the applications are received.
 - a. If an application is emailed, it will be based on the date and time the application is received in the purser's mailbox.
 - b. If the application is presented at a meeting it will be based on the date/time it was handed to the purser.
 - c. If the application is mailed through The US Postal Service it will be based on the envelope postmark.
2. As openings become available, members of the waitlist will be contacted by email before the next applicable meeting to appear. Those who complete the application and orientation process will become members in the order they appear.
3. **Existing members who do not complete their renewal process completely before the renewal deadline, including GOAL or NRA membership information, will have their spot opened to the waiting list. An expired member who would like to renew but has not completed the process before the deadline will be added to the END of the waiting list.**
4. Anyone who is on the waiting list who is contacted to become or resume membership will have 60 days to complete the process.
